MEETING

ATTENDANCE:

Commissioners Present: Donna Bovee - Chairwoman, Don Dellaquila, Tony Butrimas, Greg Starr, Lucas Van Zandt

Staff Present:

Jen Ochoa, Director of Community, Recreation and Park Services

Steve Wood, Superintendent of Parks & Grounds

Chairwoman Donna Bovee called the meeting to order at 6:00 p.m.

Welcome to Lucas Van Zandt, a new commissioner. As well as a special recognition of Debbie Dennis for being with the town for 25 years, Steve Wood for being with the town for 20 years, and Jen Ochoa for 5 years..

1. Audience of Citizens

- a. Carrie Fowler, 296 Sprucebrook Rd, and Jen Rudis, 147 Ledge Dr., want to request a memorial bench be placed at the High School in memory of Chase Anderson who passed away August 20, 2022. It is a donation being made with a plaque and the Berlin High School Principal Eileen Eustis and Security John Schmaltz have already approved this.
- b. Lisa Deseno, 212 Beckley Rd, would like to do an ALS Association fundraiser at Pistol Creek. They won't be using the clubhouse and will be parking across the street and using the trails. They are aware that Pistol Creek will still be open to others and that there is a leash-free area so there might be dogs. They expect the event to be 45-minutes to 1-hour. Hoping for 50 people. If it's 100 people in attendance then they are going to let the Police Department know.
- c. Cheryl Brown, 99 Whispering Brook Dr, Family Forward Advocacy CT, Inc., is requesting a fee waiver. They help parents and children who have special needs, behavioral needs and developmental. They hold parent resilience workshops, funded by community foundations. There are many benefits to their program for the community, children, and parents. They are a non-profit and a 501c.
- d. Adrian Cruz, 280 Middletown Rd, is inquiring about the town's community events. He wants to play music or movies on the town green. He wanted to know the process of doing so.

4. Parks and Recreation

- a. Monthly Report, Debbie Dennis Superintendent of Recreation sent a monthly report stating, June 3rd was aquatic staff training and it went well. Equipment has been brought to Percival for inspection and it is set to open June 17th. Staff training will be held June 12th. They have coordinated various training and ordered supplies. Alli will be returning back in June to the office and in lieu of her maternity leave they have been covering the office.

5. Parks & Grounds

- a. Monthly Report, Steve Wood Superintendent of Parks and Grounds stated that they are caught up on mowing and field preparation for Spring Sports. We had a group ask about beautifying Little People's playground. They would like to add some plants, flowers, shrubbery, etc. He is nervous about pollinators being planted because of bees and potential children's allergies to bees. There is signage about general playground rules including no food but there is a table and garbage at the playground implying they can have a picnic. Steve Wood has placed in the budget to replace equipment at playgrounds, but it has been denied to this point. He attended Town Council and they have afforded 25k for water and wetlands. They will be doing applications at Railroad Pond, Papergoods, and Veterans Park. It will be posted on Social Media prior to application. He has to put a leaflet in surrounding household mailboxes to let them know the chemical application will occur. The application is to kill invasive species, specifically targetting the Waterchestnut. It will probably take several years to get everything under control in each area. The Police Association is looking to do a Police versus Fireman softball game at Sage 1 on July 29th. The grounds staff will support the event by making the field ready prior.
- b. Discussion on Fields, Playgrounds Tours, Steve Wood Superintendent of Parks and Grounds stated they have only found vandalism of fire damage on fields so far. Jen Ochoa Director of Community, Recreation and Park Services did reach out to individuals she knows who play Cricket in town and neither knew of anyone playing Cricket. She has heard that an Adult Soccer League sometimes plays on fields. Steve Wood, Superintendent of Parks and Grounds also stated the reservations of Fields and the lack of their usage for when reserved. They have been reaching out to the Youth Groups for a more accurate reservation and times, in order to get the reservations under control. Chairwoman Bovee requested a copy of the reservations schedules for Commissioners each week. Playground Tours will begin October, they will be doing a meeting at Hubbard Cafeteria in order to discuss the East Berlin Pool. A full inspection costs 3k to do, just to get all of the issues outlined. The field is still being damaged at Sage Auxiliary, where they use one goal instead of the other and it's causing wear and tear on the field.
- c. State of CT Grant Update, Jen Ochoa Director of Community, Recreation and Park Services updated that they are mobilizing at Biscoglio field and upgrading it to a synthetic turf surface. It will be closed to the public during this process. They are converting the field to turf, and had a meeting Tuesday about two main fields being

unavailable this Fall. Everyone walked away with good communication to aid the scheduling of Fall sports.

6. Adjournment

Commissioner Dellaquila motioned to adjourn at 7:55 pm.

Seconded by Commissioner Starr

Debra S. Dennis, CPRP
Superintendent of Recreation

Parks and Recreation monthly report for July

1. Daily/weekly coordination of programs with staff and businesses. Picking up supplies, time cards, daily fees from the pool, confirming paperwork, etc.
2. Summer is in full swing. Programs are going well.
3. Swim lesson registration is going well.
4. Programs that have already completed include 2 Painting w/Peggy classes, Japanese Origami, 2 Skyhawks Camps – Mini-Hawk and Multi-Sport, ACTION Camp I and II. First session of tennis is almost complete and Team Tennis has started. We still have more tennis, Painting w/Peggy, Personal Euphoria classes, Royalty Camp, Adventure Camp I and II, Arts Discovery Camp, Summer of Dance! Camp, and Skyhawk's Camps – Volleyball, Basketball, Mini and Tiny Hawks at night, in the upcoming weeks. Our numbers are good considering the wide variety of programs we are offering.

Swim Team started in June and the numbers are good, higher than last year.

5. Staff is doing a good job. Pools started slow due to weather but now that things are warming up, they are getting busier.

We will be offering a Lifeguarding class in August.

6. Have already begun booking rooms for the fall/winter/spring, at the Community Center.

Subject: Letter of Support Connectivity Grant?

Hi Jen

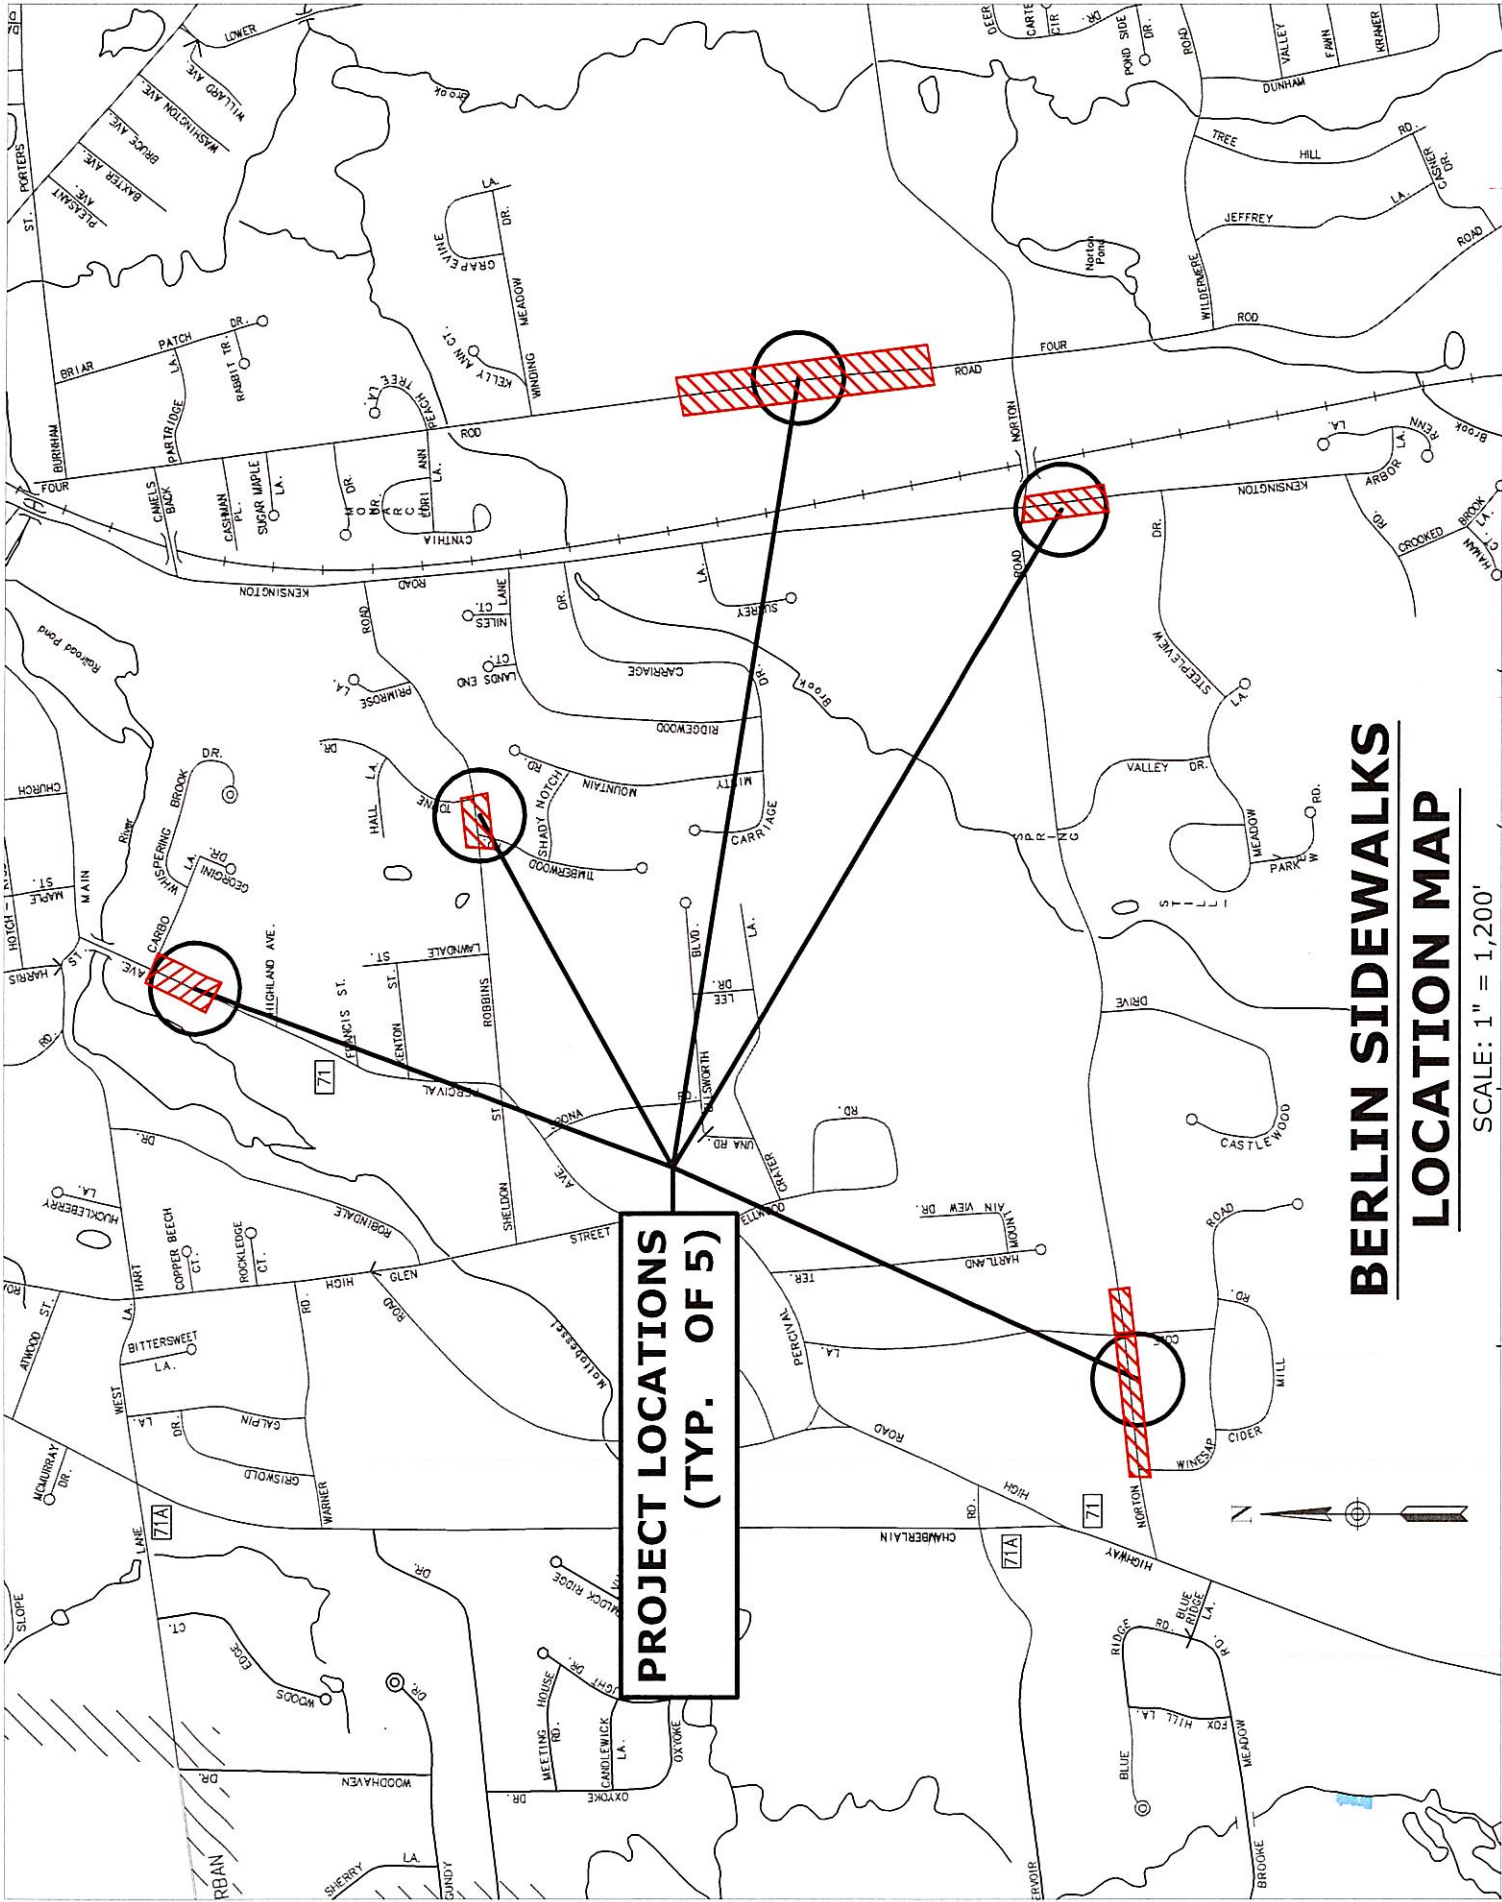

Would the P&R Commission be willing to provide a letter of support for the Connectivity Grant sidewalks project? If yes, I can provide a draft letter. See map of sidewalk locations attached. Part of my pitch is that the sidewalk improvements will provide a better, safer connection to Percival Field and also that the Four Rod and Kensington Road segments will provide safer continuous sidewalks to connect more neighborhoods to parks, facilities and schools

Parks & schools (Four Rod Road & Kensington Road), Town Hall, Community Center, Library (Robbins Road), Town parks (Percival Avenue), and Town open space (Norton Road).

Proposed new sidewalks on Four Rod Road & Kensington Road are near McGee Middle School, Willard Elementary School, Dennehy Field, Smith Field, Friendship Place etc will provide better pedestrian access to these schools& facilities including from connecting neighborhoods such as Winding Meadow off Four Rod Road and Steepleview Drive off Kensington Road
