Commissioner Vale da Serra moved to accept agenda item a-f

Seconded by Commissioner Pelletier

Those voting in favor: Chairman Lucas VanZandt, Commissioner Donna Bovee, Commissioner Christine Vale da Serra, Commissioner Tony Butrimas, Commissioner Greg Starr, Commissioner Kerin Heemsoth, Commissioner Jason Pelletier

Vote Being: 7-0 (MOTION CARRIED)

4. Parks and Recreation

- a. Monthly Report, Debbie Dennis Superintendent of Recreation, is still accepting applications for Summer Fun and the Pool; with preference for WFSI Certification. Wants to hire more staff than needed to help with the gap for succeeding years. The funding for part-time opening is still available. There was a building evacuation due to an air conditioning malfunction. The air conditioner was on the list to be replaced by Facilities and the Board of Finance has mentioned they will replace it. It is estimated to be repaired around August.

5. Parks & Grounds

- a. Monthly Report, Steve Wood, Superintendent of Parks & Grounds wanted to recognise the photos will be included to highlight the things the Department has gotten done each month. They have purchased an autonomous paint sheet which is operated by GPS. This machine cuts down the time significantly as well as it being incredibly helpful with the field maintenance. There was a phone call from a concerned resident about the bleachers at Hubbard. They have a company who inspect the bleachers and have contacted the Berlin Little League and Board of Education that they will be replaced.
- b. Greenhouse Update, Steve Wood, Superintendent of Parks & Grounds, all of the flowers have come in around 5500 plants. The weather has not been conducive to the greenhouse but the Kensington Garden Club will select plants for their project then they will install the rest throughout town.
- c. Demore, Dinda, Bittner Jr. Memorial Pool Monument, Steve Wood, Superintendent of Parks & Grounds, will be recreating stone, ripping out the boxwoods, and putting together mock ups for the signage.
- d. Hubbard Field lights, Steve Wood, Superintendent of Parks & Grounds, two companies had to come in and secure the lights. They are having someone inspect it to see if the same base can be used and looking at a 2-3 month timeline for it to be operational.
- e. Pollinator Bees, Steve Wood, Superintendent of Parks & Grounds, stated the pollinator bees came out at the Little People's Playground. They had Advanced Pest Control send out an informational statement to discuss their recommendation about not killing the bees and now they will be back next year around the same time but leave in the interim.
- f. Percival Field, Jen Ochoa, Director of Community, Recreation and Park Services, US PitchCare has rumored to have closed its business and closed its doors. They will be utilising the Town's lawyer to pursue next steps. The good news is that the field is playable and currently usable for the season.

In regard to the vandalism, Steve Wood, Superintendent of Parks & Grounds, stated they have trail cameras now set up to hopefully help. Barricades have been added to help deter the driving of vehicles on the grass. As of this meeting no one has been found responsible in regard to the incident. The locks have also been welded to the chain so there is no ability to remove it from the gate anymore. The cameras have become in handy because the Grounds Department can see even if the gates are left open.

6. Adjournment

Commissioner Van Zandt motion to adjourn at 6:26 pm

Seconded by Commissioner Starr.

Those voting in favor: Chairman Lucas VanZandt, Commissioner Donna Bovee, Commissioner Christine Vale da Serra, Commissioner Greg Starr, Commissioner Kerin Heemsoth,

Commissioner Jason Pelletier, Commissioner Tony Butrimas

Vote Being:7-0 (MOTION CARRIED)

SUBMITTED BY,

Tiffany Trowbridge-Bernard

Debra S. Dennis, CPRP
Superintendent of Recreation

May monthly report

1. Sent out paperwork for summer staff, new and returning.
2. Working on entering new staff and have emailed all staff about blood borne pathogens program through Travelers/iTrainStation. Also sent out Mandated Reporter training to the Summer Fun staff and WSI's. Coordinating first aid/CPR training for Summer Fun staff with Hunter's.
3. Will begin opening and closing p.o.'s for the end of the fiscal year.
4. The Easter Candy Hunt was held on Saturday, April 12 at Berlin High School. Numbers were pretty good, over 200 kids participated. Everyone seemed happy and kids left with many goodies!

For the first time in 30 years, other than during Covid, I had to cancel the 3-7 year old fishing derby. Cold mist/rain and predicted windchills in the 20's were a little too cold to have the young kids, parents, grandparents and my staff sit out in the elements. We combined all age groups for the April 26 derby. We had over 100 kids register but only roughly 50 kids showed on April 26, with overcast skies and some mist/rain.

5. We started to register for household, senior and individual swim passes and will begin registration for swim lessons, the end of May/beginning of June. Registration for other programs has also begun.
6. We had registration for the Summer Fun program at The Creek, and as of now filled all but 1 spot plus most waiting list spots.
7. Started ordering supplies for Summer Fun program and Aquatics.
8. Started working on updating staff manuals for Aquatics and Summer Fun program.

- Started up irrigation
- Thatched athletic fields and small parks

CORPORAL THOMAS E. O'CONNELL JR. FIELD

Dedicated May 27, 2006

April 2, 2025

Ryan Curley
Town Manager
240 Kensington Road
Berlin, CT 06037

Re: Berlin 2025 Community Connectivity Grant Program Application

Dear Mr. Curley:

On behalf of the Berlin Parks and Recreation Commission, I am writing to express support for the Town of Berlin's 2025 Community Connectivity Grant Program (CCGP) application for sidewalk improvements. The Parks and Recreation Commission is interested in providing students and families with sidewalk routes that are safe and healthy alternatives to access school facilities, nearby parks, and recreational areas.

The proposed sidewalk segments will provide better access to Clark's Grove Park, Thomas O'Connell Jr. Field, Demore, Dinda, Bittner Jr. Memorial Pool and tennis courts, Pulcini Field, Garrity Field, Griswold elementary school, and a proposed future splash pad. The proposed new sidewalk segments on Berlin Street to Grove Street are near Hubbard School, and those from Alling Street to Heather Lane are near Griswold School. These new segments will provide pedestrian access between these schools and recreational areas.

Thank you for prioritizing investments in sidewalk improvements that enhance the well-being and safety of all members of our community.

Sincerely,

Lucas Van Zandt

Chairperson Parks and Recreation Commission

Berlin Arts, Culture & History Walk

The Town of Berlin, in coordination with the State of Connecticut Office of the Arts and the National Endowment for the Arts (NEA) is working on a walk along Farmington Avenue which will pass by the Berlin Train Station and a good portion of our commercial corridor. There has been a growth of businesses in that area including new restaurants, a brewery, apartments and more. We are looking to get Berlin residents and those who work here to be more active and walk along Farmington Avenue. Our vision includes 4 to 6 benches along this walk (trail), which will not only provide a spot to sit for those of all ages, but will also be decorated with public art, likely art with historic Berlin themes.

The walk would begin and end at interesting locations that seem to be perfect for a walk of this type. On one end is Deming Park and the Lucille Miccaci Memorial, at the corner of Main Street and Kensington Road. This park was transformed through a generous donation from Tony Miccaci and his family. Lucille, Tony's wife of 50+ years passed away and in honor of her, the park was renewed with the center point being a gazebo with a statute of Lucille reading to her grandchildren. The other end of the proposed Art, Culture, and History walk would be at Veterans Park, is located between Massirio Drive and Farmington Avenue and is adjacent to Stop N Shop. Over a 15+ year period, Veterans Park has transitioned from a materials storage yard to a Town park that celebrates veterans in all branches of the military and has a walking path that describes and highlights veteran's contributions in each war that the United States has been part of. The walk is incredibly educational for students and adults alike. I have attached some photos from their website to this narrative.

As part of the effort to get residents of Berlin moving, we believe this walk will be beneficial for a number of reasons including helping to spread art, culture and history as part of the walk. The benches themselves will be from BARCO, who is a firm that we have ordered benches from many times in the past. The benches are very sturdy and are great in the 4 seasons of New England weather.
