Our Cover

The cover for the 2016 Annual Report is a tribute to our Public Safety Dispatchers. Berlin is extremely fortunate to have a devoted group of people answering the phones 24/7/365. In 2016, Dispatcher Wright was awarded the *Atlantic APCO Telecommunicator of the Year* award. Members of the police department went to Albany, NY to attend the ceremony and support Dispatcher Wright as she accepted this prestigious award.

HISTORY OF THE BERLIN POLICE **DEPARTMENT**

On September 10, 1937, the Town of Berlin formed a Police Bureau which was supervised by four elected Constables. The Police Bureau was the town's only form of police protection until April 13, 1955.

In 1955, a formal police department was formed. Since that time, the Berlin Police Department has grown from three (3) constables to forty-one (41) full time officers, nine (9) civilian dispatchers, one (1) administrative assistant to the Chief, two (2) records clerks, and one (1) technical support administrator.

The Police Department has been led by six (6) Police Chiefs; Theodore Strand (1956-1971), Robert Skinner (1971-1978), Phillip Buchanan (1978-1980), William Scalise (1980-1988), Gerald Charamut (1988-2003), and Paul Fitzgerald, who was appointed in 2003.

On February 2, 1985, the Berlin Police Department was shaken by the death of Officer Jeffery Casner, who was struck by a drunk driver while directing traffic at an automobile accident.

In November of 1988, the department was once again shocked by the sudden death of Chief William B. Scalise, who succumbed while clearing land for a new VFW Post.

The Berlin Police Department is looking to the future to better serve the Berlin community by utilizing new technologies, moving into a newer and larger facility and by maintaining and efficiently utilizing staff and resources.

ACCREDITATION

The Berlin Police Department is a state and internationally accredited law enforcement agency. The agency was initially accredited by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) in March 1996. We are one of 19 Connecticut Law Enforcement Agencies to be awarded. The Police Officer Standards and Training Council (P.O.S.T.) first awarded State Accreditation to the Berlin Police Department in November of 2004.

The Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) administers the international accreditation program. The accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

A team of assessors from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) visited Police Headquarters November 15 – 18, 2015 to examine all aspects of the Berlin Police Department's policies, procedures, management, operations and support services. The Berlin Police Department had to comply with 343 of the applicable mandatory standards and at least 80% of the non-mandatory standards in order to gain accredited status. The department was found to be in compliance with 100% of all 338 mandatory standards and 79 of the 87 non-mandatory standards or 91%. The Berlin Police Department has been an internationally accredited agency since 1996 and received its sixth re-accreditation award on April 2, 2016.

A separate and distinct Connecticut State Accreditation Program is administered by the Police Officer Standards and Training Council. This program can stand alone for agencies that are not CALEA accredited or in conjunction with CALEA accreditation. CALEA accredited agencies are required to show proof of compliance with additional standards that are unique to the State of Connecticut as well as the results of their last CALEA on-site inspection. In November 2004, the department submitted these standards and was approved for State Accreditation. State Accreditation was officially awarded in January 2005 with the department being the second agency in Connecticut to be recognized. The department has since been re-accredited in May of 2016.

DUI ENFORCEMENT

Driving Under the Influence, (DUI) enforcement, is an extremely important component of the Berlin Police Department's overall traffic safety program.

Over a three year period from January 1, 2014 through December 31, 2016 there has been an average of twenty (20) alcohol related crashes per year within the Town of Berlin. Berlin Officers have made one hundred and fifty five (155) arrests for operating under the influence since January of 2014 and have averaged fifty-one (51) arrests per year. During the same period there have been four (4) alcohol related fatalities.

A majority (63%) of the alcohol related crashes that occurred in 2014/2015/2016 were between the hours of 8PM to 3AM. The overwhelming majority of the alcohol related crashes (76%) occurred on Saturday (24%, Wednesday (21%), Sunday (18%), and Friday (13%). The remaining crashes (24%) occurred on Tuesday (11%), Thursday (8%) and Monday (5%).

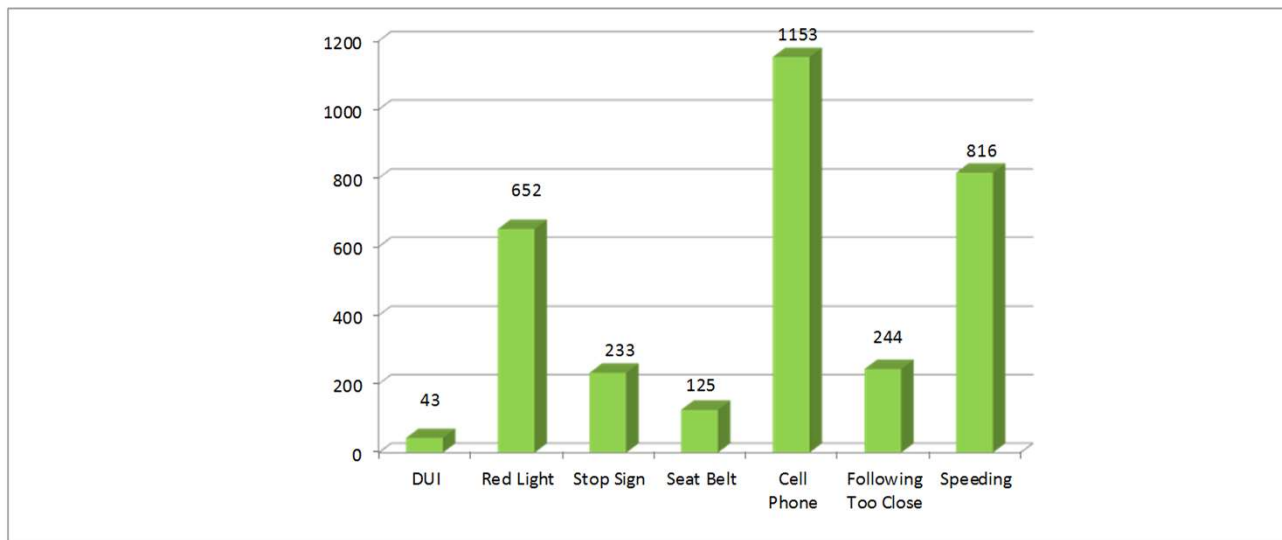

The department places great importance on DUI detection and apprehension. The department participates in all DOT highway safety grant initiatives that provide funding for DUI enforcement.

The **Jeffery G. Casner Award** is given annually to those officers who are at the forefront of the department in effecting “Driving Under the Influence” arrests. Previously, this award was presented every year on February 2nd, which is the anniversary date that Officer Jeffery G. Casner made the ultimate sacrifice for the Town of Berlin. The award is now given in May per the request of the family.

Officer Thomas Blake has earned the 2016 Jeffery G. Casner award. This is the second year in a row that Officer Blake has led the department in DUI arrests.

2016 MOTOR VEHICLE ENFORCEMENT

The department regularly participates in the Department of Transportation, Division of Highway Safety's seatbelt "WAVE" program. This is an enforcement program specifically targeting seatbelt law compliance. The department uses seatbelt compliance checkpoints to enforce the mandatory seatbelt use statute. Seatbelt use has been shown to reduce the severity of injuries suffered in motor vehicle crashes. Enforcement of this statute is an important part of the department's traffic safety program.

In 2016, Berlin Officers issued 4,487 citations (summonses, Infractions, & Written Warnings) to motorists. Some of the major violations included fourteen (43) DUI arrests, 652 Red Light violations, 233 Stop Sign violations, 125 Seat Belt violations, 1153 Cell Phone violations, 244 Following too Close, and 816 Speed/ Traveling too Fast offenses.

The DUI arrests were the result of self-initiated DUI Patrols, spot checks, and as a result of motor vehicle crash investigations. A total of 19 crash investigations led to the arrest of an operator for DUI.

MOTOR VEHICLE CRASHES

CRASHES

Motor vehicle crashes are an unfortunate fact of life on our nation's highways. Most, if not all, of these crashes are the result of inattentiveness and/or failure to obey motor vehicle laws. The purpose of motor vehicle laws and regulations is to make the highways safe for all. The purpose of motor vehicle enforcement is to ensure compliance with these laws and hence make the highways safer for all who travel them.

JUVENILE CRIMINAL ARRESTS (2014 – 2016)

In Connecticut, juveniles are those persons who have not reached their 18th birthday. In juvenile cases, arrests are generally made through referral to the Superior Court for Juvenile Matters. In serious cases, arrests can be made by warrant. Criminal arrests are those arrests made for criminal violations of Connecticut General Statutes. These Statutes include Title 53 (Crimes), Title 53a (Penal Code), Title 54 (Criminal Procedure), Title 30 (Liquor Control), and Title 21a (Dependency-Producing Drugs).

DARE OFFICERS

The Berlin Police Department is very active in the community. Six educated, highly trained and motivated police officers, who have undergone a grueling 80 hour training course to learn how to teach our children the skills they need to stay drug and alcohol free. The D.A.R.E. Officers teach more than 800 students in grades 5 and 7 yearly. The curriculum which is taught in 11 classes (one class a week for eleven weeks), emphasizes a no-use message which is life based and focuses on peer pressure resistance training, self-concept improvement, and personal safety decision making skills. A wide range of teaching techniques, including interactive peer leadership and cooperative learning groups are used to encourage student participation and response. The Berlin D.A.R.E. program is evaluated yearly by teachers, administrators, parents and the students themselves and has been approved overwhelmingly.

The Berlin Police Department is also active in the community by being a partner in the Berlin UPBEAT program. This Berlin High School based intervention and prevention program has more than 300 members and is the largest high school club. Berlin UPBEAT also encompasses the middle and elementary levels with students and teachers as members. The Berlin Police Department is part of the high school Police team which includes 16 student members. The Officers and students work together to solve community problems. The Officers and students hold regular meetings, attend off site camping weekends that include team building and life skills training. The Officers donate hundreds of hours to the UPBEAT program each year.
