

BERLIN VETERANS COMMISSION

The Berlin Veterans Commission is proud to announce that we are selling memorial bricks for the Berlin Veterans Memorial Park. The Park is located on Veterans Way adjacent to the Stop and Shop supermarket.

These bricks will enable people to honor veterans past and present. The only criteria is that the veteran has obtained an Honorable Discharge. A copy of the DD 214 form or other separation forms given out prior to January 1, 1950 must be submitted with the application. (Please black out the Social Security Number)

The price to purchase a brick will be \$80.00 and the money received will be used to insure the proper maintenance of all the veterans' memorials in the town.

Applications will be available at the Town Hall, Veterans of Foreign Wars, American Legion or by contacting any member of the Veterans Commission.
