Mr. Grady asked is it just \$60k or more than that? Finance Director Delaney said there might be a little in the final report. We continue to negotiate all insurance contracts and anticipated a 5 percent increase. Based on our actual performance when the audit was completed, we have zero percent increase this year. Chairman Bordonaro said I want to see the \$60k. Finance Director Delaney said everything you see in transfers I encumber. What you see leftover over is after the transfers have been approved.

Foreman Wood provided an update to the committee and said the first playground we did was Griswold. There was a large amount of cracks, it was around 20 years old and falling apart. We widened the road coming around back to get large trucks up there to put in rooftop units. We rebuilt the base, milled and paved it. New basketball hoops were purchased. We stenciled and put different types of play elements on the playground itself. Willard was done last summer. We built the bay and base and added 5 new basketball hoops. Also, the same type of different interactive things. The only playground left is Hubbard and it has some large cracks. It also has cement staircases leading into the playground for fire egress and those are original from when the school was constructed. With the salt and everything we are using now there are large holes in it. They are falling apart and not safe. Part of this \$125k is to replace the three sets of failing stairs at Hubbard, mill, pave and re-do the whole thing. We will also stencil and add two new basketball hoops. Mr. Fernandes asked if this includes swings? Foreman Wood said there are no physical play elements. Finance Director Delaney said we are trying to get it approved now that school is just ending to have the maximum amount of time to do the work over the summer.

4. Move to appropriate \$5,048,046.16 of America Rescue Plan (ARPA) grant funds to the HVAC

Mr. Millerd asked if we received the first quote back? Finance Director Delaney said this hasn't gone to bid, but we did get a quote and cost estimates. They were much lower than \$6M each. The PBC will challenge that number to see if it is correct.

5. Move to transfer \$188,000, as detailed on the accompanying spreadsheet, to cover higher than budgeted expenditures in identified accounts.

9. Discuss FY23 & Major Capital Projects Strategy

Finance Director Delaney went through the proposed capital plan in the budget. The Board of Education and the Town Manager prioritized items and those are the two that you approved tonight, the school items. We identified the next three items as priority 1b because the timing wasn't as critical. This is servers and server maintenance. The servers will be close to 10 years old once replaced. The next is for the second half of the fire alarm upgrade at Willard. We

appropriated \$150k in FY21 budget, rolling that over and combining with this we get the funds to upgrade the fire alarm system. The only one left would be Griswold.

New carpeting in the library is an item as there are some air quality concerns with having the original carpet. The pool repairs in Hubbard are next on the list. Replacing the senior center van is on the list. Then surplus funds from Timberlin Golf Course. The surplus exists to help purchase some equipment that has been long overdue. Also, there are seven bridges on the course and we would replace them for safety reasons. The 4th one is police vehicles. If we do everything highlighted, that would be \$1.25M against the \$3.75M proposed. The rest, \$2.5M, would be pushed to future years.

The police station renovation, HVAC, Percival soccer field, highway wash bay, 4th fire vehicle and Willard school parking lot are all items we need to start thinking about how to fund. It is estimated the police station renovation detailed design will cost an additional \$300k and it will move forward this summer. The second stage which needs to happen before construction is to relocate the Board of Education storage area to make room for the locker rooms, two sally ports and an evidence storage area. The number to do this is a rough estimate and may be lower. We may digitize some of the files that are there. Having a town storage area is a longer-term solution. The food pantry would be relocated downstairs, we have talked about a few different places. The rough estimate is \$1M. We are looking at phases 1 – 3 and removing phase 4 from the proposal for parking in the back. The proposal is \$4.6M and we would propose bonding in June 2023.

Mr. Grady asked if the Board of Education storage area has to be in this building (Town Hall)? Finance Director Delaney said not necessarily, but a fair amount of that is files related to students, including special needs students and they are accessed by administrators daily, or several times a day. We need something that will allow them access such as digital storage. The thought is to hire someone for the digital storage. The Board of Education is looking at the best solution for space, cost and accessibility.

Mr. Fernandes asked what was the price for the police department? Finance Director Delaney said it was estimated at \$5.2M. Taking the carport out, put it under \$5.0M. Phase 1, interior work and addition is \$3.4M and most of the cost. Mr. Fernandes asked about solar panels. Finance Director Delaney said the solar panels and electric vehicle charging stations are looking out to the future.

Next is HVAC, there is an item for hiring a construction manager. If Willard would be more than \$4.4M, I would recommend leveraging fund balance to fill that gap. Then look to take Griswold and Hubbard to bonding. The police station is June 2023 and Griswold and Hubbard HVAC is for June 2024. Mr. Paradis asked if it is one authorization? Finance Director Delaney said it depends how close we are to \$4.5M. It can be done separately if year after year. Mr. Millerd asked if it would go to referendum? Finance Director Delaney said based on estimates yes. Mr. Paradis said we have appropriated \$5M already, the bond authorization could be for a higher amount and leave a little room for the bonds. Finance Director Delaney said we request bond authorization including contingency, but only bond contingency funds if they are needed.

Next is Percival soccer field and it has challenges. There are potholes, it is uneven and roots are popping through. We have money for this and Town Council approved putting a bid out to hire a consultant to redesign it. The estimate is about \$400k in renovations for that field. If done right it will provide years of use and it is used quite a bit.

For highway wash bay we received \$259k from FEMA, with a 90 percent reimbursement issued. The PBC put it back out to bid to see what it would cost without an automatic car wash. There is a gas line on the side of the building where this would be expanding. Part of the cost is relocating the gas line. The automatic car wash would be a lot safer.

For the 4th fire truck, if surplus materializes we would put the order in and buy it. There are 4 fire trucks from 2001 that are being replaced. One we took order in March and the other two are still on order.

Last is the LOTCIP grant from the state funds. It is being used to fix leaks in the Highway, Grounds and Water Control building. I would propose the remaining money, plus what we receive next year from LOTCIP be used towards renovating the Willard parking lot. Also, we could expand the parking lot to the side if it works, or use stone to accommodate for extra parking.

Finance Director Delaney provided the commission with an overview of fund balance. Out of the \$18.2M, we took \$7.5 for fire trucks and pension payout. Projected surplus is \$2.25M. The fund balance is sufficient to cover the proposal. Next year there is a lot of upgrading buildings, parking lots, roads, bridges and vehicles planned. We have some challenges with parking lots and starting to look at these. Mr. Paradis said we have to find a way to start putting some of this into the budget. We can do surplus to a certain amount, but it cuts our unassigned balance by half. We don't want to get much less than \$10M. We could have some bigger discussions to start recommending more. Chairman Bordonaro agreed.

10. Update on the Community/Senior Center forums and submission of the report to the Board of Finance for their review.

Mr. Grady said it would be good for the town to have this, but we are looking at \$40M plus, a 3 mill tax increase and a \$3M per year operating cost. Other places that we looked at were smaller and had a service area greater than 20k people. This was too aggressive of a plan. We should be at 30-40k sq. ft. vs. 72k sq. ft. We need to do more research on the YMCA. They have a good plan, but would not have a senior center. They have senior exercise and senior pool programs. There would be a full-size pool. The committee looked at Newtown and they are operating at a \$600k loss. Mr. Holmes mentioned before that he is concerned about the town businesses having competition, especially local gyms. We would have a big gym facility. Mr. Fernandes said people from other towns would come to our facility, but the plan is obnoxious. The town should stay within their means. Mr. Grady added that the location would be across from the high school and the plan is above the scope of the Statement of Needs.

Mr. Fernandes asked can you propose something smaller? Mr. Grady said the town would have to go back to the PBC, re-do the Statement of Needs and go through the process again. The way things are going we could be spending \$40M on a smaller building. Mr. Millerd added that

driving down debt is Mayor Kaczynski's number one priority. Where is this on the priorities list for the town? We have to pay for school projects and town vehicles. Is this really a good way to spend \$40M? There is no balance. If we do this our debt will be sky high and we can't buy the vehicles, or do anything for years. Mr. Grady said in addition to the taxes going up by 2 to 3 mills, residents would have to pay a membership fee. Having an outside company run the facility was looked at, but not an option. The plus sides are the swim team has a place to swim, the town has a pool and seniors can do water aerobics. The downside is it would be part of the Greater Hartford YMCA and anybody could use it. Other towns are also relying on outside memberships. The Meriden YMCA would be similar size to what they would build in Berlin. Mr. Paradis added that a lot of people want a pool, but only a small percentage will actually use it. Everyone winds up paying for it. The total price tag is way out of our range with the debt limit that we are carrying. I have to put public safety ahead of recreation. It is a huge number. If they want to scale it back, I still think our priorities are in other areas until our levels get down. I don't want them wasting time going back and saying what about \$20M. I'm not guaranteeing that at \$20M it would make the top of my list of town priorities. Mr. Grady said the YMCA does not have the same constraints as the town and can build a nice facility for less money. Mr. Paradis said he would need a lot more information on the YMCA option.

11. Discuss proposal to pay for paving the Kensington Volunteer Fire Department (non-Town entity) parking lot with Town of Berlin funds and recommend a funding option to the Town Council.

Finance Director Delaney said quotes were received and with contingencies it is about \$100k. Can we use town resources to do this if the building is not town owned? Corporation Counsel Donofrio's email response said yes, under the Municipal Powers Act the town can appropriate funds to pave the parking lot. Town assets are located on the property and the work is necessary to support fire protection. The Town Council asked Board of Finance to provide feedback on ways to fund that with town money. The town had purchased boilers for them and the firehouse shared the cost. The committee could request financials to confirm they can't afford to have the work done. They have asked for funding from town representatives over the last 5 years. You could propose to include it in the next budget, propose a non-budgeted appropriation of unassigned balance, or utilize some of the FY22 general fund. An argument could also be made that the grant funds and GRI money could be used for this, but it would mean one less road getting paved. Chairman Bordonaro said we should help them because they provide us with public safety. Mr. Millerd said maybe they can do a fundraiser. Mr. Fernandes said the interior of some of the firehouses are in bad shape as well. Finance Director Delaney said it could get to where the town looks at re-building vs. renovating and worth discussing a long term vision. Chairman Bordonaro said he would like to ask for financial information.

12. Finance Director update.

- Financials remain strong
- Lost the brackets for VNA in May, still planning to end up in the \$600k area.
- Memo from OPM on Public Act that was passed dealing with municipal oversight. Fund balance of less than 5%. We have 11%.
- Collections remain strong.

• The 5-page document did change some criteria.

Agenda Item No. F-1 Request for Board of Finance Action

TO: The Board of Finance

FROM: Arosha Jayawickrema, Town Manager

DATE: May 12, 2022

SUBJECT: Discussion of Kensington Volunteer Fire Department – Parking Lot

SUMMARY:

At the request of the Town Council, the Public Works Department obtained the attached quote for paving the parking lot at the firehouse/headquarters located at 880 Farmington Ave. This property is owned by the Kensington Volunteer Firemen's Association. The three options presented by Galasso Materials of East Granby, CT incorporate unit pricing under DAS Contract No. 22PSX0008, and are summarized as follows:

- \$74,675 Total New Pavement Depth of 4 inches (2" Binder + 2" Surface with 100 tons of processed aggregate to regrade)
- \$52,804 Total New Pavement Depth of 2.5 inches (½" Leveling Course + 2" Surface)
- \$78,949 Total New Pavement Depth of 4.25 inches (3" Binder + 1.25" Surface with 100 tons of processed aggregate to regrade)

All three options include milling/pavement removal, tack coat, and new curbing. Adding in the current asphalt escalation charge would increase these costs by an estimated \$4,000 to \$6,000, depending on the option. Due to current inflation trends, Staff recommend applying a 20% contingency on any final quote, if requested by the Town Council. The current paving funds used by the Town are from sources (State grants and Town bonding) that are restricted to Town-owned roads and property, so (unless otherwise indicated by the Finance Department and/or Corporation Counsel), another funding source would be required if the Town elects to proceed.

With a projected cost, including contingency, of \$100,000, there are three funding sources for consideration. Other sources may be considered by the Board of Finance.

- 1. Include the project in the FY24 capital budget and fund through the mil rate.
- 2. Propose a non-budgeted appropriation of General Fund Unassigned Fund Balance requires approval at a Town Meeting and approval by the Town Council and Board of Finance.
- 3. Utilize FY22 General Fund operating surplus. An amount, if available, could be identified in July 2022. This option should be considered with all the purchases/projects identified on the FY23 & Major Capital Projects Strategy list presented earlier in this meeting.

ACTION NEEDED:

Discuss proposal to pay for paving the Kensington Volunteer Fire Department (non-Town entity) parking lot with Town of Berlin funds and recommend a funding option to the Town Council.

Agenda Item No. G-1 Request for Board of Finance Action

TO:

The Board of Finance

FROM:

Arosha Jayawickrema, Town Manager

DATE:

June 14, 2022

SUBJECT:

Authorization to Appropriate a STEAP Grant for Kensington Sidewalks

Project Phase III

Summary of Agenda Item:

With Town Council authorization, staff applied for a Small Town Economic Assistance Program Grant for phase III of the Kensington Sidewalks project in 2020. The State of Connecticut approved a STEAP grant of \$128,205 for this project. The Town has now met all the municipal certification requirements for this grant and is preparing to go out to bid for the project in combination with a sidewalks project funded by a Community Connectivity Program grant. Staff requests that the Town Council appropriate the grant to account 504.10.1017.0.53473.00000, STEAP Sidewalks, and to revenue account 504.00.0000.2.44801.00000, State & Federal Grants and to refer this matter to the Board of Finance for its approval. Per the original Town Council action in 2020, this grant requires a local match. The planned source for the match is from the bonded road account #140.20.2037.0.54000.00515. It is proposed that a \$15,000 match and a contingency of up to \$35,000 be allocated from the bonded road account.

Action:

Move to appropriate a \$128,205 STEAP grant for Kensington Sidewalks project, phase III to the STEAP Sidewalks account in the Economic Development Fund.

SUBJECT: Appropriate \$288,000 of Outside Police Services Receipts

Summary of Agenda Item:

The Berlin Police Department provides public safety support to many private projects throughout Berlin. The outside organizations who request this support pay the Town for the officer's time and wear-and-tear on police vehicles. This revenue, and related expense, is budgeted annual in the adopted General Fund budget.

During FY22, the amount of outside police service requests exceeded what was anticipated in the FY22 adopted General Fund budget. As a result, the expenditure account (001.15.1532.0.51440.00000 Extra Duty Police Officer) for these services and the related revenue account (001.15.1532.1.42303.00000 Outside Police Services) are higher than budgeted. This motion is to appropriate the additional revenue to the related expenditure account.

Action Needed:

Move to approve a non-budgeted appropriation of \$288,000 from the Outside Police Services account to the Extra Duty Police Officer account, both in the General Fund.

SUBJECT: Budget Transfers to Clear Overbudget Accounts

Summary of Agenda Item:

Over the course of the fiscal year some accounts exceed budget for different reasons. All the higher than budgeted costs are offset in other parts of the budget or contingency. No new money is being appropriated with this request. These items are summarized on the Budget Adjustments spreadsheet submitted with this action item.

Action Needed:

Move to transfer \$121,200, as detailed on the accompanying spreadsheet, to cover higher than budgeted expenditures in identified accounts.
