I am proud to present the 2008 Annual Report for the Berlin Police Department.

This report reflects the efforts of personnel and programs within the police department. Each and every individual plays a role and contributes to our mission of service and protection to the community.

During 2008, the Police Department increased its staff by the addition of a canine named Titan, who joined Officer Aimee Krzykowski on patrol.

Two new officers were hired to maintain our staffing levels. New to the rank of Patrol Officer are Jeffrey Simkulak and Douglas Bartolomeo. The new officers replace Lt. W. McKone and Captain Larry Schubert, who retired, and Officer Michael Komm, who is now a Police Officer in Fairfield.

Recent promotions within the Police Department include Lieutenant John Klett to Captain, Sergeant Christopher Ciuci to Lieutenant, Sergeant James Gosselin to Lieutenant, Detective Todd Lentini to Sergeant and Officer Ann Marie Haas to Sergeant.

Dispatcher. Deanne Doucette was hired to fill a vacancy and she has just completed the training necessary to perform the dispatch function at the Police Department.

The Berlin Police Department is committed to working together with the Board of Education, our four Fire Departments, Hunters Ambulance Service and all other town departments in order to provide the best service possible to the community.
HISTORY OF THE BERLIN POLICE DEPARTMENT

On September 10, 1937, the Town of Berlin formed a Police Bureau which was supervised by four elected Constables. The Police Bureau was the town’s only form of police protection until April 13, 1955.

In 1955, a formal police department was formed. Since that time, the Berlin Police Department has grown from three (3) constables to forty-one (41) full time officers, nine (9) civilian dispatchers, one (1) administrative assistant to the Chief, two (2) records clerks, and one (1) technical support administrator.

On February 2, 1985, the Berlin Police Department was shaken by the death of Officer Jeffery Casner, who was struck by a drunk driver while directing traffic at an automobile accident.

In November of 1988, the department was once again shocked by the sudden death of Chief William B. Scalise, who succumbed while clearing land for a new VFW Post.

The Berlin Police Department’s 2007-2008 budget was $6,331,555 — a far cry from the $8,386 that had been allocated for police protection in 1954.

The Berlin Police Department is looking to the future to better serve the Berlin community by increasing manpower and moving into a newer and larger facility.
The Berlin Police Department is a state and internationally accredited law enforcement agency. The agency has been accredited by the Commission on Accreditation for Law Enforcement Agencies, Inc. since March 1996. It is one of only 14 agencies in the state to be so recognized. The Police Officer Standards and Training Council (P.O.S.T.) also awarded State Accreditation to the Berlin Police Department in November of 2004.

The Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) administers the international accreditation program. The accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations and support services.

The Berlin Police Department underwent it’s third re-accreditation on-site inspection December 09-13, 2006. In order to receive accreditation, a police department must be in compliance with a minimum of 80% of a total of 446 performance standards. The Berlin Police Department was found to be in compliance with 397 standards and another 40 were non-applicable to the agency by size or function. Nine standards were taken as optional by this agency. This indicated a rate of compliance of 98% with applicable standards and 89.0% of total standards. The department was awarded re-accreditation on March 17, 2007 for a period of three years.

The separate and distinct Connecticut State Accreditation Program was taken over by the Police Officer Standards and Training Council in 2004. This program can stand alone for agencies that are not CALEA accredited or in conjunction with CALEA accreditation. CALEA accredited agencies are required to show proof of compliance with eight additional standards that are unique to the State of Connecticut as well as the results of their last CALEA on-site inspection. In November 2004, the department submitted these standards and was approved for State Accreditation. State Accreditation was officially awarded in January 2005 with the department being the second state agency to be so recognized.
Citizens’ Academy

The Berlin Police Department conducted a 10-week Citizens’ Academy in the spring of 2008. The classes started March 5, 2008 and graduation was held on May 7, 2008. With the able assistance of numerous officers, the classes covered many police related topics to show citizens what a police officer does. The class had lessons in patrol, criminal investigations, use of force, accident investigation and the Berlin Police Department to name a few of the topics included. Eleven (11) town residents applied and attended the class.

Block Watch

The town of Berlin has two active block watch organizations working at this time. Officer John Burns is the department contact person and attends the meetings. The group consists of residents of the Fairview Drive area and Sun Meadow Drive. Fairview Drive had four (4) meetings and Sun Meadow had 2 meetings in the 2007/2008 fiscal year.

Torch Run

Once a year members of the Berlin Police Department are active in the Special Olympics Torch Run and the fund raising that goes on during the year. The Torch Run was held on June 6, 2008. Sgt. John McCormack gathers the local group of runners and they in turn raise money to be donated to Special Olympics. Lt. James Gosselin has worked as a coordinator between several towns on the Torch Run day.

Citizen Survey

During the week of February 21, 2008 our citizen survey was sent to each household (approximately 10,000), in the weekly edition of The Berlin Citizen. The results of the survey were very favorable. Improvements were implemented based upon comments from the public.

Stuff a Cruiser

Dispatcher Tammy Wright sets up “Stuff a Cruiser” program where presents and money are raised and presented to Prudence Crandall Center. The “Stuff a Cruiser” event takes place in November and the money and present donations help the shelter victims of domestic violence.

School Safety

Officers from the Berlin Police Department randomly visit all the schools in town. These visits establish familiarity with the staff and layout of the school. The visits also provide an omnipresent sense of security.
General Statement of Duties

The present day duties of a Berlin Police Officer are varied and complex. The Officer’s main function is the preservation of public peace, protection of life and property, prevention of crime, and proper enforcement of local and state laws and ordinances. A Berlin Police Officer is a first responder to all medical emergency calls. The Officer must be qualified as an MRT (Medical Response Technician) to render quick and effective first aid. All police vehicles are equipped with first aid and oxygen units. Officers are certified in CPR (Cardiopulmonary Resuscitation) and the use of state-of-the-art AED (Automated External Defibrillator) units. Medical emergency calls increased from 1,289 in 2007 to 1,448 in 2008.

Driving Under the Influence, (DUI) enforcement, is an extremely important component of the Berlin Police Department’s overall traffic safety program.

In the United States during 2001, 17,380 or 41% of all traffic fatalities were alcohol related. This compares with 49.2% in 1989, 50.2% in 1988 and 57.2% in 1982. This downward trend is the result of a number of factors; legislation, public information and education, selective law enforcement, etc. National statistics also reveal consistent day-of-the-week and time-of-day occurrence trends. Almost 60% of all such crashes occurred from 6:00 p.m. on Friday to 6:00 a.m. on Monday. An average of one alcohol related fatality occurs every 30 minutes.

The department places great importance on DUI detection and apprehension. The department participates in all DOT highway safety grant initiatives that provide funding for DUI enforcement.

Annually, the police officer with the highest number of DUI arrests is awarded the Jeffery G. Casner Award for excellence in DUI enforcement. This award was created to honor the memory of Officer Jeffery G. Casner, who was killed in the line of duty by a drunk driver.
The Jeffery G. Casner Award is given annually to those officers who are at the forefront of the department in effecting “Driving Under the Influence” arrests, in addition to providing the highest level of patrol services in their assigned districts throughout the Town. This award is presented every year on February 2nd, which is the anniversary date that Officer Jeffery G. Casner made the ultimate sacrifice for the Town of Berlin.

Officer Ryan Gould received the 2008 Jeffery G. Casner award from Chief Paul Fitzgerald. Officer Gould effect ed 16 DUI arrests. This represents 13% of the DUI arrests for the Berlin Police Department in 2008.
On November 7, 2008, The William B. Scalise Memorial Field at Sage Park was rededicated in remembrance of the 20th anniversary of the passing of Chief Scalise.

Memorial plaque located at the northwest corner of the Sage Park football field.

The department regularly participates in the Department of Transportation, Division of Highway Safety’s seatbelt “WAVE” program. This is an enforcement program specifically targeting seatbelt law compliance. The department uses seatbelt compliance checkpoints to enforce the mandatory seatbelt use statute. Seatbelt use has been shown to reduce the severity of injuries suffered in motor vehicle crashes. Enforcement of this statute is an important part of the department’s traffic safety program.

In 2008, Berlin Officers issued 4,960 motor vehicle misdemeanor, infraction citations and written warnings. Some of the major violations included; 117 DUI arrests. Ninety-three arrests were a result of active patrol, 24 arrests resulted from motor vehicle accident investigations, 460 red light violations, 210 stop sign violations, 478 seatbelt violations, 134 cell phone violations, 14 reckless driving and 519 speeding citations were also issued.
Motor vehicle crashes are an unfortunate fact of life on our nation’s highways. Most, if not all, of these crashes are the result of inattentiveness and/or failure to obey motor vehicle laws. The purpose of motor vehicle laws and regulations is to make the highways safe for all. The purpose of motor vehicle enforcement is to ensure compliance with these laws and hence make the highways safer for all who travel them.
Criminal arrests are those arrests made for criminal violations of Connecticut General Statutes. These Statutes include Title 53 (Crimes), Title 53a (Penal Code), Title 54 (Criminal Procedure), Title 30 (Liquor Control), and Title 21a (Dependency-Producing Drugs). In Connecticut, adult arrests are those made of people 16 years of age or older.

In Connecticut, juveniles are those persons who have not reached their 16th birthday. In juvenile cases, arrests are generally made through referral to the Superior Court for Juvenile Matters. In serious cases, arrests can be made by warrant. Criminal arrests are those arrests made for criminal violations of Connecticut General Statutes. These Statutes include Title 53 (Crimes), Title 53a (Penal Code), Title 54 (Criminal Procedure), Title 30 (Liquor Control), and Title 21a (Dependency-Producing Drugs).

The Berlin Police Department is very active in the community. Six educated, highly trained and motivated police officers, who have undergone a grueling 80 hour training course to learn how to teach our children the skills they need to stay drug and alcohol free. The D.A.R.E. Officers teach more than 800 students in grades 5 and 7 yearly. The curriculum which is taught in 11 classes (one class a week for eleven weeks), emphasizes a no-use message which is life based and focuses on peer pressure resistance training, self-concept improvement, and personal safety decision making skills. A wide range of teaching techniques, including interactive peer leadership and cooperative learning groups are used to encourage student participation and response. The Berlin D.A.R.E. program is evaluated yearly by teachers, administrators, parents and the students themselves and has been approved overwhelmingly.

The Berlin Police Department is also active in the community by being an active member in the Berlin UPBEAT program. This Berlin High School based intervention and prevention program has more than 300 members and is the largest high school club. Berlin UPBEAT also encompasses the middle and elementary levels with students and teachers as members. The Berlin Police Department is part of the high school Police team which includes 16 student members. The Officers and students work together to solve community problems. The Officers and students hold regular meetings, attend off site camping weekends that include team building and life skills training. The Officers donate hundreds of hours to the UPBEAT program yearly.
