

## **IMPORTANT INFORMATION REGARDING PERCIVAL POOL**

The Town has decided to open Percival Pool this summer for Berlin residents only. Our tentative opening date is Wednesday, July 1<sup>st</sup>, however this is all dependent on the fact that we can do so safely with all proper equipment and follow all state and local guidelines. The Berlin Parks and Recreation Department will also be monitoring the spread of the COVID-19 and working closely with the Central Connecticut Health District.

At this time, the Parks and Recreation Department is working diligently to ensure everything is in place in order to open. Things will look different this year due to all the guidelines and we wanted to share a bit of that with you now. The Department will follow all necessary cleaning guidelines throughout the day.
