

# Health & Safety Protocols for Visiting the Facility

## HOURS & GENERAL INFO

- Lake Compounce will be open for General Admission beginning Monday, July 6th. Please [CLICK HERE](#) for hours of operation.
- In order to maintain reduced capacity, all Guests will need to pre-purchase admission in advance and RSVP for the day they wish to visit through Lake Compounce's online registration system.
- If the date you wish to visit is not listed in the online calendar, the capacity limit for that date has already been reached, and you will need to choose another day.

## HEALTH & SAFETY MEASURES

- Face Coverings: Required for park personnel and guests alike, except children younger than age three.
- Guests will be asked to show they have facial coverings upon arrival at parking gate.
- Those without a facial covering will be able to purchase them at park retail locations.
- Guests may remove their facial coverings to engage in water-related activities, including swimming in pools, on water slides and water attractions, or while walking to/from these activities. Coverings may also be removed in order to eat.
- Temperature Checks: All those entering the park will have their temperatures scanned. Any person with a temperature of 100.4°F or higher, or displaying other symptoms of COVID-19, will be denied entry.
- Hand Cleansing: Asking everyone to wash hands often with soap and water.
- Hand Sanitizer: Providing sanitizer stations throughout the park.
- Social Distancing: Requiring social distance of six feet between your party and others.
- Limiting Capacity: Limiting the number of guests to facilitate social distancing.
- Sanitizing Teams: Performing enhanced sanitizing throughout the day on high-touch surfaces and rides.
