Starting a Neighborhood Watch

1. Recruit and organize as many neighbors as possible
2. Contact your local law enforcement agency and schedule a meeting
3. Discuss community concerns and develop an action plan
4. Hold regular meetings and train community members
5. Implement a phone tree and take action steps

SAFETY TIPS
For Your Car
- Always lock your doors and roll up the windows
- Never leave your car running or warming up unattended
- Remove your keys and garage door opener from the car
- Do not leave items out and visible through the windows

For Your House
- Always keep your doors, windows and garage doors closed and locked
- Use exterior lighting and cameras to deter criminals
- Use interior lighting to keep the home from looking vacant
- Use a strong wifi password to protect your connected devices

SAFETY TIPS
For Your Neighborhood
- Get to know your neighbors and have a way to contact them
- Use social media and applications to be aware of what is going on
- Learn what is normal activity for your neighborhood
- If something is out of place….
