Hi Jerry,

Thanks for chatting today... I've attached an explanatory email as well as the flyers for Braydon's golf outing and the sponsorship/donation form. My son has played over at Timberlin quite a few times in US Kids Golf tournaments so I was just calling to see if you guys would be able to help in any way. Please let me know if you have any questions and/or if you know anyone interested in playing!

Thanks,  
Lauren Menta

Hello,

My son, Braydon Hutwagner, is a local 10 year old golfer and has been invited to play in four junior golf world championships this summer. He will be competing against boys from 35 countries in August 2021 at the Champion of Champions World Championship in Wicklow County, IRELAND! He will also be competing at the FCG Callaway Golf World Championship in Menifee Lakes, CA; the IMG Academy Junior World Championship in San Diego, CA and the US Kids Golf World Championship in Pinehurst, NC all in July. He has worked so hard to get there and we all are extremely excited to see what the future holds!

As an amateur golfer, Braydon is not allowed to have sponsors per the USGA rules so all expenses are to be paid out of pocket. We have set up a golf outing fundraiser from which all proceeds will go to help offset the costs of travel to these major events.

We are in need of sponsors and raffle prize donations. I have attached the flyer and registration form if you know anyone interested in playing in the outing. More importantly, I have attached the sponsorship/donation form. Anything would be greatly appreciated; every little bit helps! If you have any questions at all, please email me or text/call me at (203)598-4762.

Thank you in advance,  
Lauren Menta
