Olivia

Thank you for your donation request. I have copied Jerry Salvio our Director of Golf on this email as well as Golf Commission Chairman Peter DeFazio. They should be able to provide a little insight regarding the donation process. Thank you

Good afternoon,

I'm writing on behalf of the Els for Autism Foundation, established in 2009 by professional golfer Ernie Els and his wife, Liezl. To learn more about The Foundation and all that we do for those on the autism spectrum [please click here](#). This year's fundraising efforts will be particularly impactful, and crucial, in sustaining the programs and services that help people with autism lead positive, productive, and rewarding lives due to the challenges that the COVID-19 pandemic has presented.

The Foundation will be hosting a Golf Challenge Regional Event at TPC River Highlands on August 30, 2021. Over the past 10 years, the Golf Challenge has attracted incredible support from sponsors, donors, and the golf community. The Golf Challenge has raised over \$25M making this the largest source of fundraising revenue for the Foundation. I am writing in hopes that Timberlin Golf Club would be interested in donating a foursome towards the raffle at TPC River Highlands and join Ernie and Liezl in their efforts to improve the lives of those impacted by autism. I know our guests would love to see this in our raffle this year!

I've attached our donation letter with more information about the Foundation and the event. Thank you for your time and consideration. I look forward to hearing from you!

Sincerely,

Olivia Butler
