I am sorry to hear that! Paul Cutler mentioned you were injured but did not know the severity. The Berlin Golf Commission handles Season Pass refunds on a case by case basis. I copied the Director of Golf Jerry Salvio on this email as well as Berlin Golf Commission Chairman Peter DeFazio. They can assist you in the process. Thank you and hope you get well soon

Jerry can you please give Scott a call at the number he listed. Thanks

Marc-

I'm not sure if you're aware but I was hurt the other night and had to have emergency surgery on Friday and was in the hospital over the weekend. As a result looks like I won't be able to play golf for approximately three months. In saying that I was wondering what I can do about my season pass? I obviously won't be able to get the value out of it that I want to and since I just got it I was wondering if I could pay for the rounds that I've already played and get a return on the difference of the past. I'm kind of laid up right now so if you could call me and we can talk about it I would really appreciate that. My number is 860-729-0450. Thanks.
