

Berlin Parks and Recreation Swim Lessons

The Parks and Recreation Department is offering limited swim lessons this summer. Registration will begin on Monday, June 28. Registration on-line is strongly encouraged and will start at 8 a.m. In-person registration will start at 8:30 a.m. when the office opens. Lessons are free but you must have a current family pool pass. Family pool passes are \$85 and can only be purchased at the Parks and Recreation office, during regular office hours. You may only register for one week at a time and on Friday, July 16, 23 and 30, registration for everyone will close at 9 a.m. and re-open at 12 noon. We will not be having Friday afternoon registration as we have in the past. People who are currently in lessons cannot sign up for another session until after 12 p.m. on the Friday that their lessons end. We will monitor registration and make any changes that are necessary, if people register for more than one class. We are only taking 6 kids per class. All swim lessons will be held at Percival Pool, 20 Highland Ave.
