Bid #2022-16 through 24

On-Call Services

**Addendum #2**

**Q.** The current RFP from Berlin for on-call Carpentry and Construction Services doesn't indicate the type, size, cost or number of projects that might fall under this contract.

Is there a 2022 capital project list that highlights the projects that might be under consideration for the year so that we can highlight similar and /or relevant projects to match those that Berlin might undertake?

**A.** The approved projects in the department that will need construction services are the following:

1. South Kensington Fire House Roof Replacement.
2. Physical Services Complex Buildings Roof Replacement.
3. Gutter Heat Trace Replacement and Downspout & Masonry repairs at Town Hall.

**Q.** The RFP states in Section 11: "Each proposer must complete and submit the Proposer's Legal Status Disclosure form included in this RFP."

This form does not appear to be attached, can you please send us a copy or add an addendum? Or will it not be required

**A.** Disregard
