PRESS RELEASE
08/01/2022

The BEST program began in January of 2021. It is employee recognition program primarily based on a peer submission process. This new program was designed to increase the amount of recognition our employees receive for outstanding work and performance, to reward employees who demonstrate leadership, and to highlight the “BEST” our department has to offer.

We are proud to announce that Sergeant Tyler Cyr has been selected as the BEST program’s “Employee of the Quarter,” for the second quarter of 2022. A brief write-up of some of the notable work Sergeant Cyr was involved with is attached.

Congratulations Tyler!

Sergeant Tyler Cyr
Employee of the Quarter
2Q 2022
SERGEANT TYLER CYR

We are proud to announce the selection of Sergeant Tyler Cyr as our “Employee of the Quarter,” for the 2nd quarter of 2022. Sergeant Cyr has been with the police department for seven years. He was promoted to sergeant in October of 2019 and is assigned to our Operations Division. Sergeant Cyr is a member of our ATV unit and Crisis Intervention Team, is trained as a Field Training Officer (FTO), and is the leader of our underwater response / dive team. During this past quarter Sergeant Cyr was nominated by his peers and recognized for the hard work outlined below:

- Sergeant Cyr recently took on the task of organizing and planning the Berlin Police Department Awards Ceremony for 2022. This was the first time that Sergeant Cyr was responsible for this event as he took over the Awards Committee duties from another sergeant who retired. Sergeant Cyr dedicated a lot of time and effort to this important evening and successfully held the event at the Berlin High School on June 16th. Numerous members of the department and community were recognized for outstanding service throughout the past 3 years.

- Sergeant Cyr and another officer were recognized for an act of kindness they showed towards a victim of sexual assault. The victim’s car was recovered from the offender and did not have enough gas to get back home to New York State. The victim only had a $1.00 in their bank account. Sergeant Cyr and the other officer used their own money to have the victim’s gas tank filled up.

- Sergeant Cyr actively coaches and mentors less experienced officers assigned to his shift. He assists with investigations and encourages officers to be thorough and think outside the box during their investigations, in order to uncover evidence that could lead to the identification of suspect(s) or the development of probable cause.
