PRESS RELEASE

SIDEWALK CONNECTIVITY 2023

Please be advised that the Town of Berlin Public Works Department, in conjunction with its Contractor PJF Construction Corporation, is commencing work involved with the construction of sidewalks. The construction will occur along the south side of Farmington Avenue between house #1208 eastward to the intersection of Farmington Avenue and #14 Patterson Way. Sidewalks will also be constructed from house #32 to house #104 Newton Street, and along a portion of Langdon Court from New Britain Road to the entrance of the Kensington Woods Condominiums. This activity, in some instances, will require minor adjustments to landscaping (including the removal of trees and shrubbery) within the Public Right of Way, to accommodate the sidewalk. For those streets with on-street parking, the Contractor will need to access the shoulder areas, so please park elsewhere during construction.

Construction will begin the week of February 27, 2023. Work is anticipated to be completed later this Spring. Plans depicting the activity along the front of your property are available for review in the Public Works Department (Room 120) of the Berlin Town Hall. Questions can also be directed to the Public Works Department at 860-828-7022.
