SWIM LESSON SCHEDULE

Registration will begin on **Monday, May 20**. Registration on-line is strongly encouraged and will start at 8 a.m. In-person registration will start at 8:30 a.m. when the office opens. Lessons are free but you must have a current 2024 household pool pass. **Household pool passes are \$85 and can only be purchased at the Parks and Recreation office, during regular office hours and are on sale starting May 6.** Registration is for residents only and you are only allowed to be registered in one class at a time, if you are on the waitlist that counts as your one class. At the end of each session, you may register for another class, if space is available but spots are limited and could be full. **Purchasing a pool pass does not guarantee a spot in lessons.**

As a result of testing of some participants to see what class they should participate in, there may be some movement of participants from one level to another, only if space allows. We cannot go over maximum numbers set by Red Cross.

On Friday, July 12, 19 and 26, registration for everyone will close at 9 a.m. and re-open at 12 noon. People who are currently in lessons cannot sign up for another session until after 12 p.m. on the Friday that their lessons end, if there are openings, so they can find out if their child passed or not, before they register. We will monitor registration and make any changes that are necessary, if people register for more than one class or sign up early.

All swim lessons will be held in the morning, Monday through Friday at Percival Pool, 20 Highland Ave.

Preschool Aquatics and Learn-to-Swim (LTS) classes, where age will apply, are determined by the first day of class, per session. All participants in Preschool Aquatics must be 4 years by the first day of class. All participants in Learn-to-Swim classes must be 6 years old. Per Red Cross guidelines, we can only take 6 kids per class for Preschool-LTS 3 and 10 kids for LTS 4 & LTS 5.
